

Community Housing Fund

Grant Guidance Notes¹

This grant is for costs associated with establishing a Community Land Trust or community group to enable community led affordable housing projects.

1. Who can apply?

Any Town or Parish Council, Neighbourhood Forum, Community Land Trust or qualifying community group can apply. In order to be a qualifying group, a community group must be an incorporated organisation established to further the social, economic and environmental wellbeing of people living, or wanting to live, in a particular area.

Individuals who live or work in that area must be entitled to become voting members of the community organisation and be able to exert control of the organisation through a majority of voting rights and places on the board or governing body. Any profits generated may only be used to benefit that community. Assets may not be disposed of, improved or developed except to benefit the community, and in the event of winding up the organisation, assets must be transferred to another body corporate with similar objectives.

If you are a group that has not been incorporated and you are applying for a grant, it is important that you identify an eligible organisation to hold the grant for you. Incorporated organisations have a separate legal status, such as Company Limited by Guarantee, Community Interest Company (CIC), Community Benefit Society, Charitably Incorporated Organisation etc. If you are unsure whether your neighbourhood forum or nominated fund holding organisation is incorporated, please check using the Companies House web check tool. If it is incorporated it will be listed on this website. Further information can also be found on the Charity Commission website.

2. How much grant funding can you apply for?

Up to £10,000 in total is available to each group to assist towards the costs of setting up a delivery body such as a Community Land Trust or Housing Co-Operative. Applications will be required to clearly set out what the proposed funding will be used for in setting up the delivery body for community led housing and the projected spend per quarter. The funding once awarded would be non-returnable on spend, however funds which are not spent will be required to be returned. Funding will be paid quarterly in advance on projected spend.

¹ Grant Guidance Notes will be reviewed as required.

3. The timescale of the planned activity

Please note that you can only apply for funds that will be spent within the next six months. Any unspent funds will be reallocated after this period. We are unable to fund any activity that took place prior to the date of the grant agreement unless otherwise agreed in writing by the Council.

4. How many times can you apply for a grant?

You may make as many applications as you need to, up to the maximum funding available for initial project set up costs of up to £10,000 per group.

5. What can you apply for?

Project Set-up Costs (up to £10,000)

At the project set up stage costs eligible under Community Housing Fund include, but are not limited to:

- Forming a community organisation
- Understanding the potential costs of your proposal, exploring alternatives, and sources of finance

An Application Form is attached as Annex A.

6. How will the grant be paid?

The grant will be paid at the commencement of your project quarterly in advance, subject to approval of the level of funds requested, and at subsequent intervals as and when further applications are made (up to the defined grant limit).

7. What happens if you are successful in being offered a grant?

You will receive notification from the Council if the grant has been successful or not within 28 days of receipt of the application, subject to all necessary supporting information being provided. Any delays in submitting the required supporting information could delay the determination of the application. The Council will confirm the grant offer, including detailing terms and conditions of the grant, and requesting copies of any further documentation required. Full details of reporting requirements will be provided with the terms and conditions. On completion of the planned activity you will need to provide a report detailing the progress you have made as a result of the funding and submit this along with (if

requested) invoices and receipts for any items of £1,000 or more. Any unspent funds will need to be returned to the Council.
